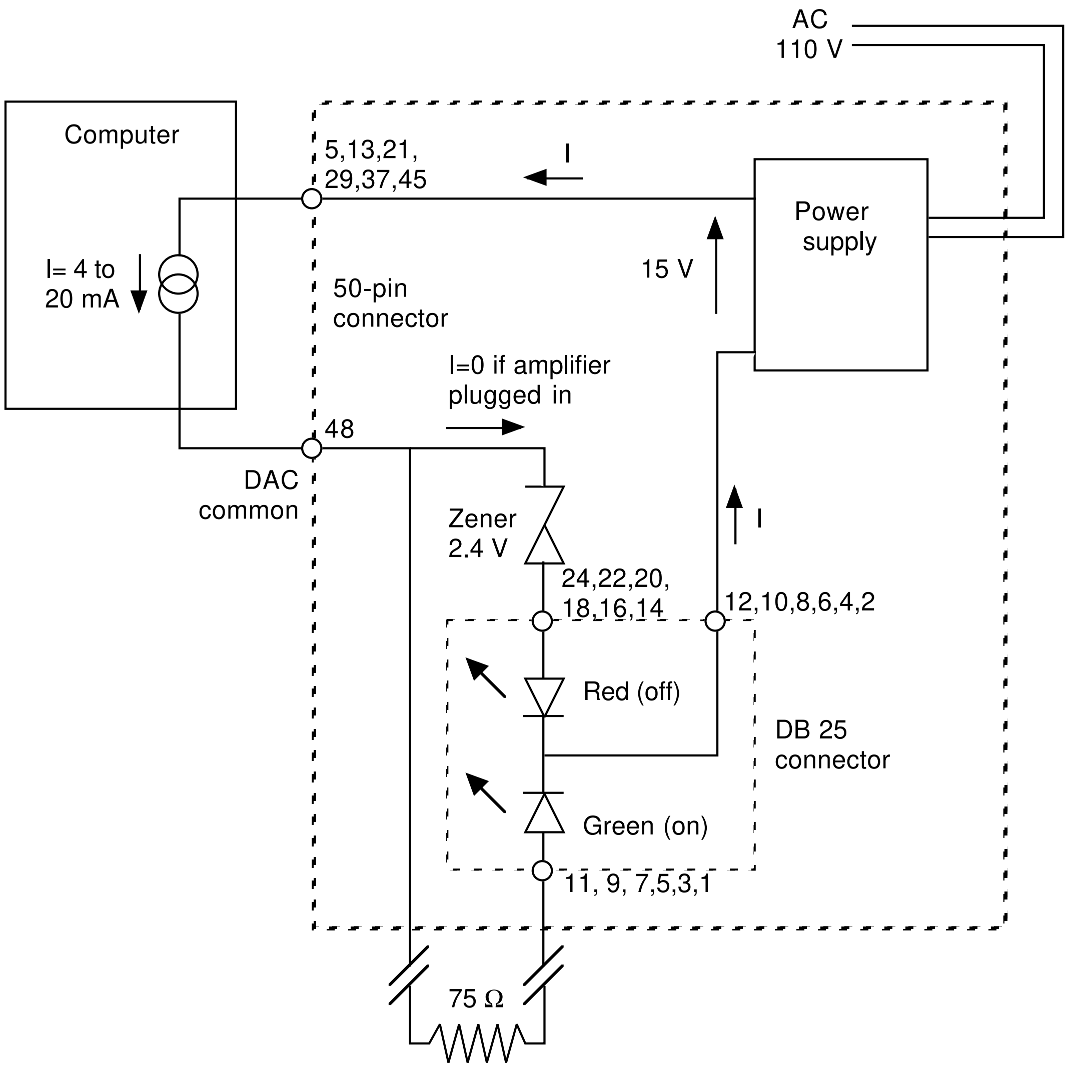
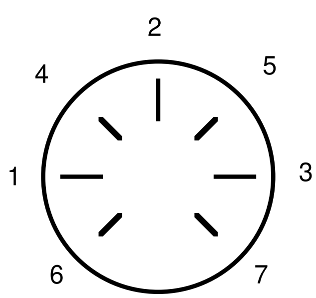
Star-tracker piezo transmitter



Equivalent star-tracker
amplifier input

Note: The piezo transmitter contains six identical circuits as described above. The pin-out for the connectors is respectively for channels 0,1,2,3,4,5.



DIN female output pin-out

1 n.c.
2 Gnd
3 n.c.
4 Signal channel 2*n
5 Signal channel 2*n+1
6 DAC common
7 DAC common

n =Telescope number (0=North, 1=South, 2=West)
